

## **Student Entry Form**

All participants are required to fill out in its entirety and sign the Student Entry Form. Students who have not completely filled out the entry form will not be eligible to participate in the program. In situations where the child cannot fill out the entry form or write legibly, a parent may complete the form.

Students have the option of titling their works. If a work has a title, the title must be included on the Student Entry Form. If the work has no title, please write "Untitled." All entries must include an artist statement that describes how the piece relates to the theme. For most arts areas, students must also answer a few questions about how they created their works; see Required Information on the Student Entry Form.

## **Required Artist Statement**

Each participant is required to submit an artist statement that describes what inspired him or her to create the work and how it relates to the theme. The artist statement is mandatory for all entries in all grade divisions. The statement should not exceed 250 words; there is no minimum length. The Student Entry Form provides a space for the artist statement; if the statement does not fit in the space given, it may be written on a separate sheet and attached to the Student Entry Form. Make sure the student's full name appears on any sheet attached to the Student Entry Form.

## **Children with Disabilities**

PTA believes that each child with a disability should be provided a free and appropriate public education. Therefore, the Reflections Program at the national level does not have a special division for students with disabilities. The national PTA organization believes it is the right of parents to place their child in the Reflections Program grade division that best reflects the child's developmental age. However, guidelines for state and local Reflections Programs may vary. Check with your state PTA for its guidelines.

## **Deadlines**

Students must submit all works by the deadline established by their local PTA/PTSA. Each local PTA/PTSA sponsoring the program sets its own deadline for entries, in adherence with state, district/region, and council deadlines. Entries are judged at the local level and the top entries are forwarded to the next level of judging (council, district/region, or state). Direct all questions regarding deadlines or rules to your state PTA office or arts chair. The national PTA organization does not record deadlines for local, council, district/region, or state PTAs.

## **Judging**

All national entries are judged on artistic merit, creativity, mastery of the medium, and interpretation of the theme. Mastery of the medium in the context of the national Reflections Program pertains to the level of skill the student demonstrates in the basic principles/techniques of the arts area. However, a well-developed concept is more important than technique. Entries will be judged primarily on how well the student uses his or her artistic vision to portray the theme.

The Reflections Program makes no restriction on content or subject in artwork. Students who are submitting entries need to meet school and/or local and state PTA standards.

Each PTA determines its own judges for the program. Under no condition may parents or students contact the judges to dispute the status of an entry. All decisions of judges are final.
